Note.

The Chief Court in their letter herewith submitted, submitted the following proposals for sanction -

1. Location of the Additional Munsiff's court now at Mysore, at Hunsur with jurisdiction over the Taluks of Hunsur, Heggadadevankote and Yedatore, the Tirumakudlu Narsipur Taluk which is at present attached to this court being transferred to the Munsiff's court at Nanjangud.

2. The transfer of the Heggadadevankote Taluk to the Additional Munsiff was sanctioned and notified (Please see Notification No.6561/J.722 dated 10-11-1900). The Yedatore Taluk is now in the jurisdiction of the Hole Narsipur Munsiff's Court to which Hole Narsipur, Cheluvarayapatna and Arkalgud Taluks are also attached.

3. The appeals from decrees passed by the Munsiff of Hole Narsipur in cases arising from the Yadatore Taluk lie to the District Judge, Mysore, while in the case of the other 3 Taluks within the jurisdiction of the said Munsiff's court, the appeals lie to the District Judge, Hassan.

4. To avoid the above inconvenience and to equalise the work of the Munsiffs of the Additional Munsiff's Court (to be located at Hunsur) and of the Court at Hole Narsipur the above proposals are recommended by the Chief Court. It is also added that the above arrangements will obviate the necessity for the

the construction of a new court at Mysore for the Additional Munsiff at Mysore as proposed in the first instance.(Please see serial No.6 of the file herewith submitted).

5.Next it may be noted that the Chief Court has not stated any thing about the accommodation available at Hunsur for the location of the Court in question at that place.

There is no building available there. It is chiefly for this reason that the location of the Asst Commr at Hunsur has had to be deferred.

On a full consideration of the question in all its aspects I think transfer to Hunsur is not desirable for many reasons.

In my humble opinion, the argument based upon appeals from a single Munsiff having to go to two District Courts, deserves consideration, as also the fact that two Munsiffs are located at Mysore one of whom could conve-

niently

conveniently be sent to Hunsur thus obviating the necessity of people from Hunsur and Heggadadevankote having to travel a considerable distance even in petty cases. This last mentioned grievance was more than once brought to notice at the Representative Assembly. There is no doubt a difficulty about accommodation but it is common to both stations. This is a matter sufficiently important to go up to the Dewan under the Rules of business and I propose submitting it to him accordingly. The 2nd Councillor may perhaps in that case feel disposed to record his reasons for vetoing the Chief Court's proposal. I beg therefore to resubmit the file to him.

Sir;

With reference to the correspondence noted in the margin, I have the honor to state that on the 10th instant the Executive Engineer, Mysore, Division was good enough, at my request, to inspect the Central Nazir's room and the room behind it and he has expressed his opinion that it is not feasible to convert both the rooms into one, by making an arch in the wall which divides the rooms.

This office no. 732 dy. 10th January 98.
" no. 1358 dy. 9th inst.
Dist. judge's docket no. 1207/201 dy. 27th inst.

2. The Central Nazir's room as it is, is not at all sufficient for holding the court.

3. In the opinion of the Executive Engineer no alterations in the

building are possible to give a proper accommodation for the court. He suggests that the Chief Court might be requested to move the Government for a fresh Court hall with sufficient office accommodation &c, being built in the open ground to the south of the present Court Hall.

4. I have in my letter No: 135 Dated 9th June 98, mentioned the inconvenience felt by me and my officials for want of sufficient accommodation and I therefore reiterate them here.

5. I beg to point out that Southern wing was only intended to accommodate one Court and 2 Courts have now been crammed into the same Space.

6. I beg therefore to request that you will be good enough to place the matter at your earliest Convenience, before the Chief Court, with a view that the Govt: be solicited to Sanction the Construction of a new Hall.

Subject.

Reporting the inconvenience for want of sufficient and suitable accommodation for the Court and officials and requesting some arrangements being made to remedy the inconvenience.

Sir;

I have the honor to bring again to your notice the great inconvenience felt by myself and my officials in regard to accommodation – a matter which was brought to your notice by my letter No: 73 dated 10th January 98.

2. I delayed making this reference thinking that you were waiting for an opportunity to visit the building in which I and my officials are located, see for yourself how we are situated and then make some arrangements or refer the matter to the Chief Court.

3. As either you have had no time or the matter has escaped your memory, I venture to write this again trusting that you will be good enough to give your early and best consideration so as to remove the inconvenience I and my officials are subjected to.

4. The noise and disturbance caused to me while I am going on with my work are so great that I seldom leave the Bench without a splitting headache.

5. I can hardly prevent people from getting into the Advocate's room and Pet. Munsiff's Court to my left and into the Head Munshi's room behind me or to the Deputy Nazir's in front of me.

6. The plan herewith submitted shows how I am situated. Since taking charge of the 2nd Munsiff's Court, I have suffered much in my health, and I attribute this mostly to the accommodation I am —

provided with!

7. The rooms in which my officials sit are 18 ft × 12 ft. and 18 ft × 8 ft. In these 9 persons including Copyists have to sit. There are 4 tables, 4 almirahs, and other furniture kept within this area. Advocates and Suitors have to come into these Rooms to obtain Copies, pay moneys or obtain references from the Head Munshi.

8. Lately some chairs and benches were supplied to the Court, but I am at a loss to know where to put them now

9. I and my Colleague Mr. Singracharlu thought that I might get into the Central Nazirs room. The dimensions of this are 20 ft. Square. The Bench and Pleaders and Clerks' tables are 23 ft. long and could not consequently be put in that room.

10. I beg therefore to request that you will be pleased to give the matter your earliest and

favorable consideration and make some temporary arrangements for giving me and my officials a better accommodation and report the matter, if need be, to the Honorable Judges for such orders as they might be pleased to pass.

11. Until you can suggest some temporary arrangements, I would beg you to be good enough to order a double Pole tent being pitched somewhere near the Dumraff Courts for the Court being held therein

12. The urgency of the matter is my only excuse for writing this long letter.

I have the honor to remain

Sir.

Your most obedient and humble servant.

SERIAL No. (3)

From

Sir,

Sl. No. 75

With reference to your No.5641/J.612 of the 23rd Ultimo in re construction of a Court House for the Additional Munsiff of Mysore, I have the honor to state that the Additional Munsiff now holds his Court in the Southern wing of the Law Courts building and as the accomodation was found insufficient, the construction of a separate building was proposed. (Vide Copy of Mysore District Judge's letter (a) dated 26th July 1898 forwarded with this Office No. 1614/54 dated 5th September 1898).

Sl. (61)

The Judges now consider that the Additional Munsiff's Court might, with advantage, be located at Hunsur with jurisdiction over the Hunsur, Heggadadevankote and Yedatore Taluks. The Heggadadevankote Taluk is attached to the Munsiff's Court at Nanjangud and the transfer of the Taluk to the Additional Munsiff of Mysore has been already recommended in this Office letter No.2408/61 dated 5th October last. The Yedatore Taluk is within the Jurisdiction of the Hole Narsipur Munsiff and unless it is transferred as now proposed, appeals from decrees passed by the Munsiff of Hole Narsipur will lie to the District Judge of Mysore in cases arising from that Taluk, while in cases from the other Taluks, Hole Narsipur, Chennaroyapatna and Arakalgud over which the Munsiff has Jurisdiction, they will lie to

in file A Lawsuit put up

5 12

the District Judge of Hassan. The Hole Narsipur Munsiff will have sufficient work without the Yedatore Taluk, viz., about 600 original suits and 300 small causes. The Yedatore cases are 200 O.S and 100 S.C.on an average. The Hole Narsipur Munsiff exercises magisterial powers also. On the other hand the file of the Additional Munsiff which is now light will be equalized by the addition of these 2 Taluks. The Tirimakudlu Narsipur Taluk which is at present attached to the Additional Munsiff at Mysore can be attached to the Munsiff's Court at Nanjahgud which is only 18 miles distant. Hunsur is conveniently situated, the distances from Heggadadevankotai and Yedatore being only 17 and 14 miles respectively.

I am to request early sanction of Government to the above proposals which will render the construction of a separate building at Mysore for the Additional Munsiff's Court unnecessary.

I have the honor to be,
